

180309 Generator status during hfTest. Total output power

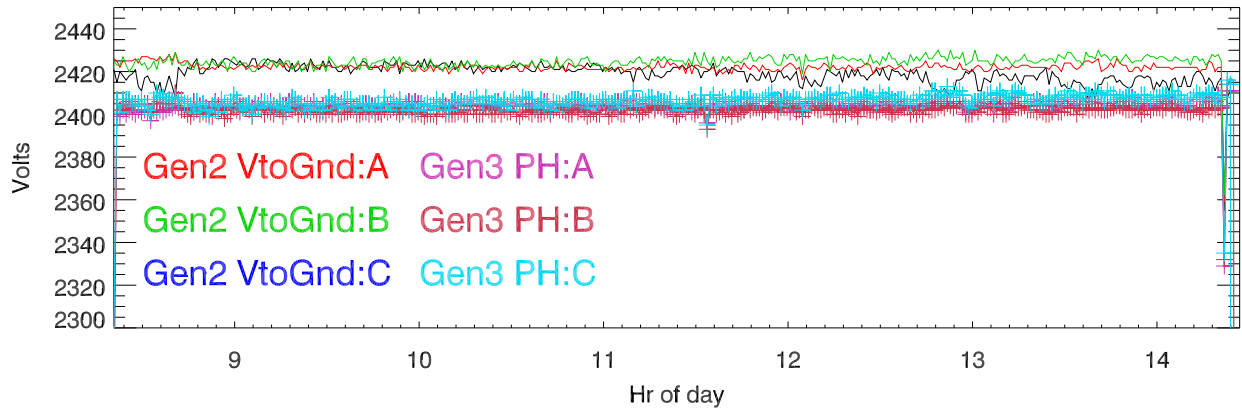

Power output by generator

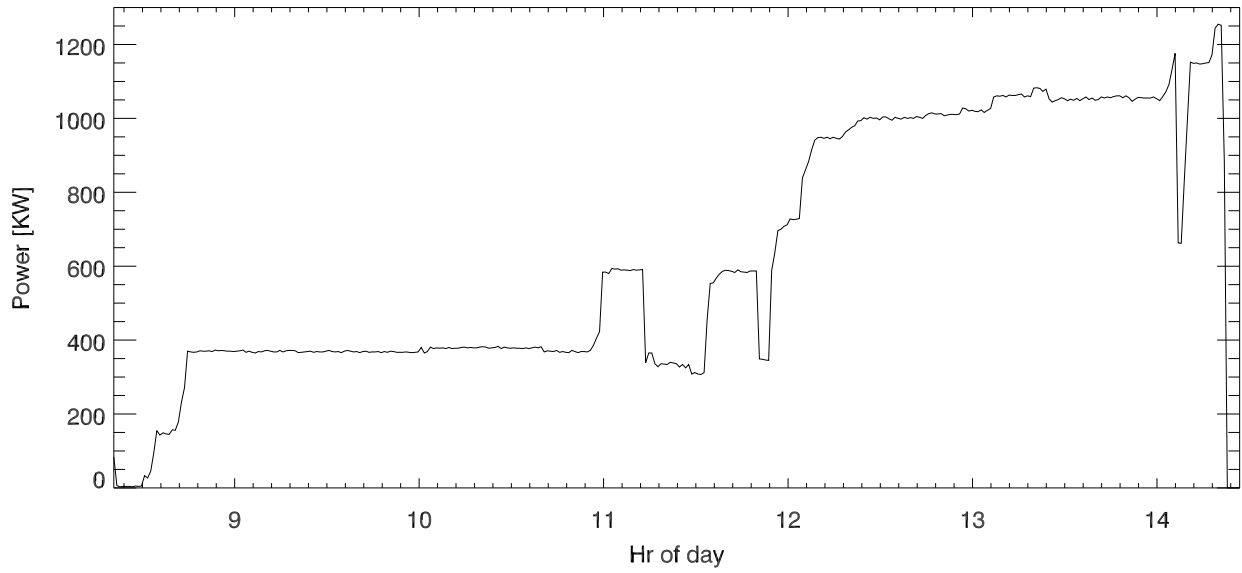

generator Current for each phase

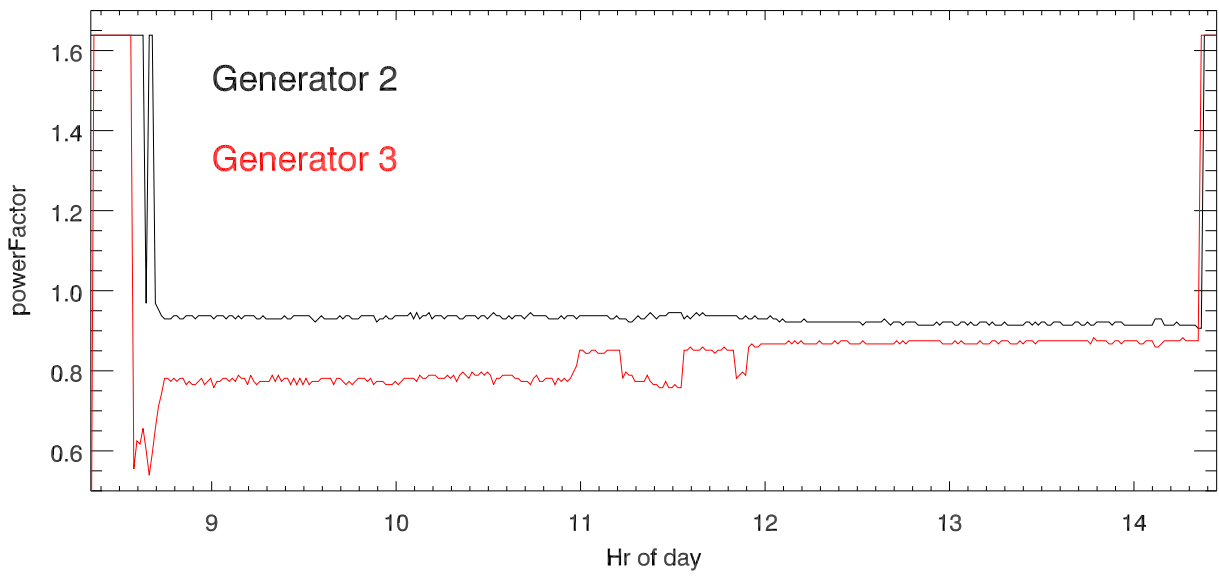

phase to ground voltage for each phase

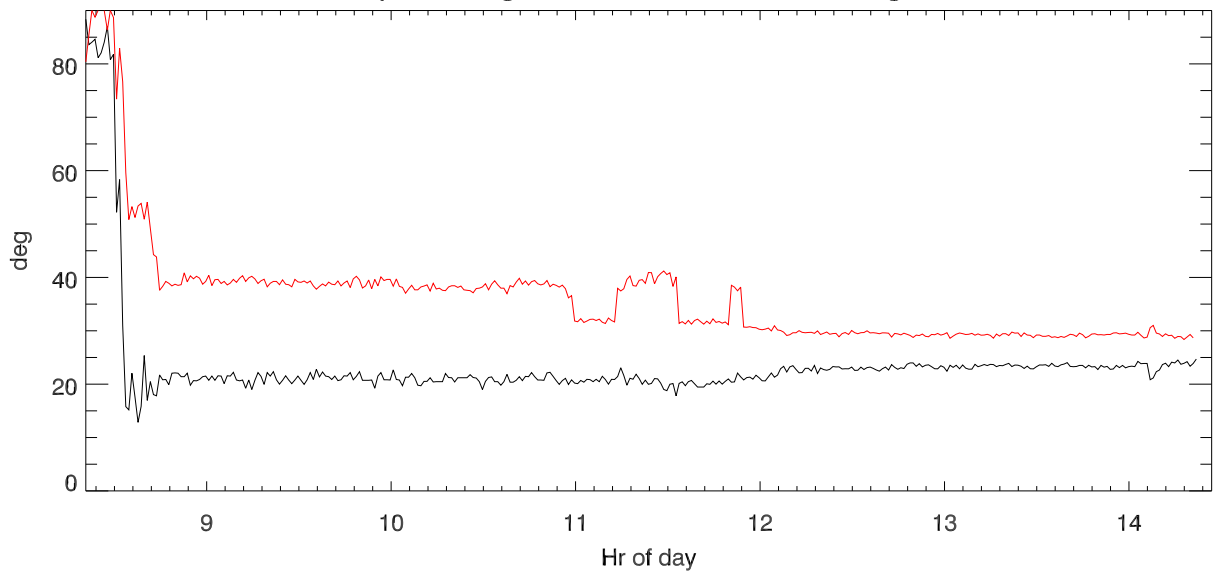

180309 Generator status during hfTest. Total output power

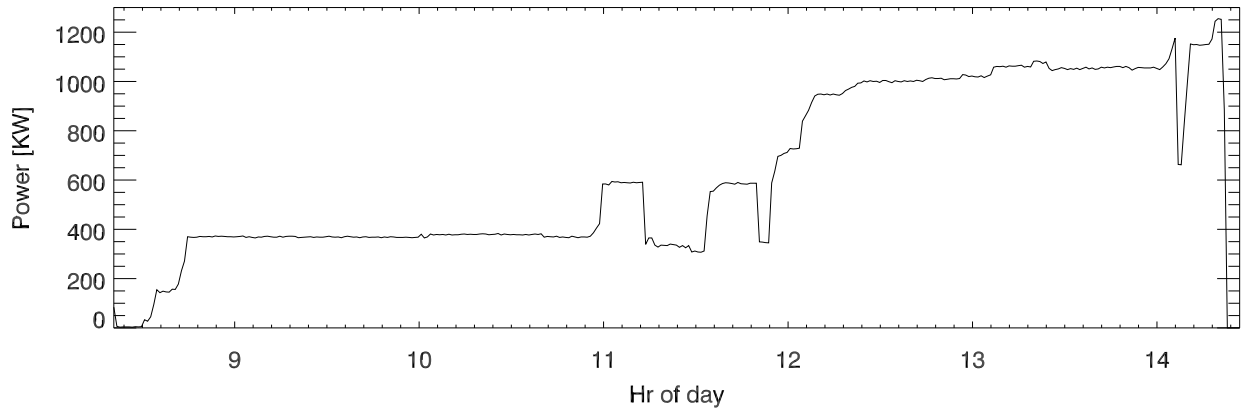

Power factor

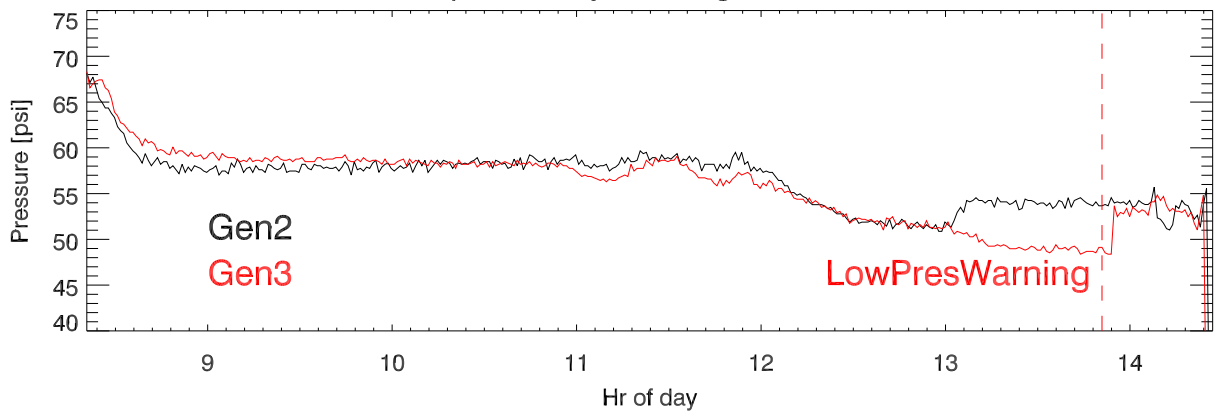

phase angle between current and voltage

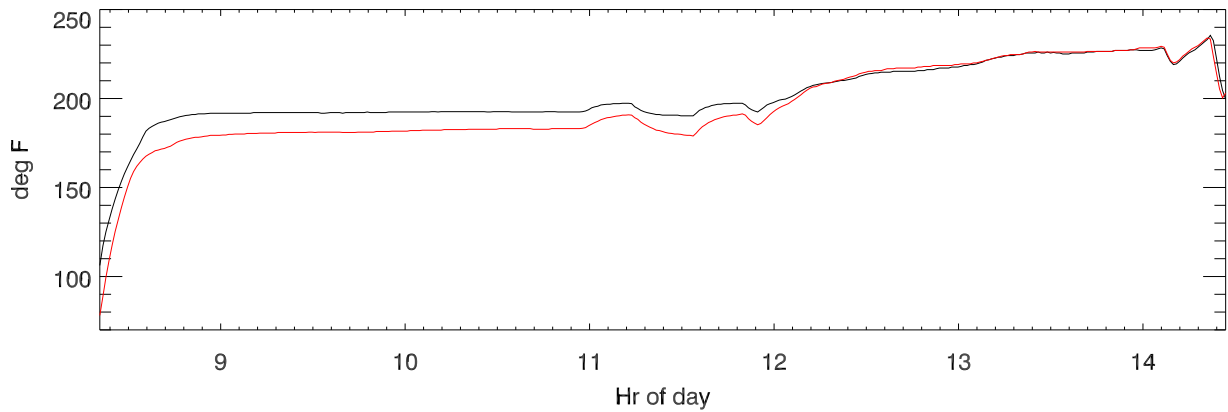

180309 Generator status cont.. Total output power

oil pressure by montor/generator set

oil Temperature by motor/generator set

Coolant Temperature by motor/generator set
