

## Technical Page

This proposal has not been submitted before.

Proposal Type:                   Urgent  
 General Category:               Astronomy  
     Observation Category:   Solar System  
 Total Time Requested:       5 Hours  
 Minimum Useful Time:       2h

**Proposal Title:** Attempt to recover the STEREO-B spacecraft

*ABSTRACT:*

NASA has lost communications with the STEREO-B spacecraft, and requests our assistance in attempting to detect it. We propose to attempt to detect the carrier from STEREO-B on May 28 and June 10 2015.

Name	Institution	E-mail	Phone	Student

### Remote Observing Request

- Observer will travel to AO
- Remote Observing
- In Absentia (instructions to operator)

### Instrument Setup

X-band

### Atmospheric Observation Instruments:

**Special Equipment or setup:** none

### RFI Considerations

### Frequency Ranges Planned

8440-8450
