

Ms Krishna Mukerji, Ph. D.
125 Everridge Drive, S.W
Calgary, AB,
T2Y 4R6
Ph (h): 403-225-1959
E-mail: k_mukerji@hotmail.com

RELATED EDUCATION

- Object Oriented Software Development Certificate (Hons), SAIT, 2006--2007(??)
- C Language, CMPP 205,215(A+)SAIT, (2005??)
- Ph.D Applied Physics, M.... S..... (give full names) University of Baroda, India, Thesis Title: Year of award: 1990 (?)
(Assessed by IQAS, Alberta Learning)
- M.Sc. In Pure Physics with a specializing in Solid State Physics, University of Calcutta, India, 1983 (?), First Class (Assessed by IQAS, Alberta Learning)
- B.Sc. in Physics (Hons) with Chemistry and Mathematics, University of Calcutta, India 1980 (?) , First Class (Assessed by IQAS, Alberta Learning)

RELATED EXPERIENCE

- 2004 – Present Math/Physics/Chemistry 20, 30, 31, IB, AP, Univ Level Tutor, Academy for Mathematics and Science, Calgary
- 2007 – Present Math/Physics Tutor, Mount Royal College, Calgary
- 2002 – 2003 Contract Programmer, Tech to U, Calgary
- 2002 Jan-July Programmer, MedIT, University of Calgary
- 1997-1999 Teacher, Indian School, Nigeria
- 1994-1996 Math/Physics Teacher, Petrochemicals School, Bombay, India
- 1995- 1996 (?) Attended classes for B.Ed course, University of Pondicherry, India
- 1995 Physics Instructor, Nagothane College, India

OTHER EXPERIENCE

- Research Fellow at the Council of Scientific and Industrial Research Center (IASC), India (when, add dates..?)
- Research Fellow at the M.S. University of Baroda, India (when -- dates..?)
- Developed interactive websites (e.g. http://www.geocities.com/k_mukerji2002)

TECHNICAL SKILLS

- Teaching Mathematics and Physics (at what levels f)
- Developing day to day lesson plans, tests and assignments
- Constructing models of science to enhance learning among students
- Proficient in Microsoft Office
- Programming languages C, C++, VB6, Java, JSP, ASP, HTML, CSS and JavaScript
- Analytical, research oriented experience (give a bit more info as to in which area)
- Using various scientific instruments (low-temp, liquid crystal etc... area?)
- Writing technical papers for journals

PROFESSIONAL SKILLS

- Continually learning new concepts and acquiring new skills
- Excellent communication skills, reliable, honest and hardworking

VOLUNTEER WORK EXPERIENCE

- Judge, Alberta Debate and Speech Association, Western Canada High School, Calgary
- [Assisting in computer literacy program, Indo-Canada Center, Calgary](#)

Ms Krishna Mukerji
(403) 225-1959

OTHER INTERESTS

Swimming, Arts and Crafts, Reading.
